Delta Doubles Warranty Period for RMC Motion Controllers

November 06, 2015 – Battle Ground, WA – Delta Computer Systems, Inc. announces an additional year of warranty for Delta’s RMC75 and RMC100/150 closed-loop Motion Controllers. Beginning in mid-December of 2015 all RMC motion controllers will carry a 2 year parts and labor warranty (from date of shipment from Delta).

Delta’s RMC Motion Controllers

“Delta customers employ RMCs in precise position and/or pressure/force control in industrial environments,” stated Steve Nylund, Delta’s CEO. “The doubling of our warranty period to 2 years allows OEM customers more flexibility with their machine warranties while re-enforcing that they are getting both a powerful and reliable motion controller backed up by superb customer support.” Nylund added.

The high performance motion control products that Delta designs, manufactures and markets are used worldwide for hydraulic, pneumatic and electric closed-loop control in a wide array of single and multi-axis applications, including testing, food, energy, automotive, entertainment, plastics, materials, aerospace, metals, forest products and others.

About Delta Computer Systems: For more than 30 years, Delta has supplied motion controllers, color sensors, and other industrial products that enable OEMs & integrators to build better machines.
